FINANCIAL INSTRUCTIONS.

A.O. 165.—Cash Balances of Sub-Accountants, and Examination of Company Balance Sheets.

The Financial Instructions in relation to Army Accounts, 1895, will be amended as under :—

- The following will be substituted for para. 86 :—
 86. No sub-accountant will maintain a larger cash balance of public money than is actually necessary. In the case of the regular forces, the balance shown by a monthly pay list to be due to the paymaster will not, as a rule, exceed 10*l*. when the pay list contains charges for the pay of less than 150 non-commissioned officers and men, or 20*l*. when for 150 or more. Should any sub-accountant's cash balance be excessive, the surplus amount will either be repaid by the sub-accountant, or taken into consideration by the paymaster in making the next issue (*see* para. 326*c*).
- The following will be inserted after para. 326 :—
 326*A*. The paymaster will check all those items in a company, &c., balance sheet which can be verified from the pay list itself, and will ask for an explanation in the case of a discrepancy. Should the explanation given appear to him to be unsatisfactory, he will direct attention to the matter when forwarding the pay list to the War Office.
 326*B*. The paymaster's responsibility with regard to the company funds (the balances on which will appear in the company balance sheet) will be limited to seeing that public money is not being used for the purposes of those funds. If, therefore, the sums shown as due from these funds, taken as a whole, exceed the sums shown as due to them, together with the amount due on account of unpaid company bills, the paymaster will call the attention of the commanding officer to the matter.
 326*C*. The paymaster will call for an explanation in any case in which he considers that the cash balance of public money, or the balance due to the paymaster, is excessive (*see* para. 86). In examining the balances of sub-accountants, he will disregard the money due to men on their clothing accounts, as the sub-accountants should not draw this money from the paymaster till it is actually required for transfer to the men's pay accounts.

INFANTRY DRILL.

A.O. 166.—Revised Edition.

- A revised edition of the Infantry Drill has been approved, and copies will be issued to all concerned. The Instructions for the Physical Training of Recruits, &c., issued with Army Order 46 of 1896, have been included in this edition.
